A Message From The Director

To you, the graduating class of 1985, I extend my heartiest congratulations on your accomplishments here at Southeastern Technical Institute.

Each of you have worked very hard to attain the plateau that you have reached today. The staff here had the confidence in you, and you all came through. We hope that you have enjoyed your stay and that you will talk with your friends and relatives about the Technical Institute and the high quality programs that are offered here.

Again, I say to you, Congratulations and Best of Luck to all of you.

Sincerely,

Robert W. Wagner

TO THE CLASS OF 85:

I would like to thank all of the Student Council Members that have met with me every week on their lunch hour and have worked very hard to make this a memorable year. You have accomplished a great deal in a very short period of time. and you all deserve a round of applause for your efforts. I have enjoyed the meetings and the fun that we have had. I would also like to thank Mr. Holmes for his donation of the M&M candies and Mrs. Tansey for the Candy Wreath. The T.I. Student Council has provided the student body with a Christmas Party, a luncheon, Ski Trip, Bake Sale, Soda, and most of all a sense of unity thruout the building. This yearbook is a testament to their efforts and dedication. YOU WERE GREAT!
